Sheriff Napier Presents A.C.T. to National Public Safety Stakeholders

July 30, 2020

On July 30, 2020 Sheriff Mark Napier presented the Pima County Sheriff's Department's Law Enforcement Reform; Accountability – Community Engagement – Transparency (A.C.T.) on a webinar hosted by government relations and strategy consulting firm Brooke Bawden Moore, LLC.

The webinar, "Overview of Policing Reform Proposals", was presented to over 475 public safety stakeholders, including Chiefs of Police, County Sheriffs, executive leaders from federal law enforcement agencies, representatives from national legislative bodies, universities, law enforcement associations, reform advocacy groups, and business leaders. Sheriff Napier was asked to present on this webinar due to the Pima County Sheriff's Department's proactive efforts and innovative efforts to address law enforcement reform. With this presentation, the Pima County Sheriff's Department continues to be a leading agency on law enforcement issues nationwide.

Sheriff Napier shared information on the Pima County Sheriff's Department's efforts to develop and implement reforms to both improve policing and enhance relationships with the communities the department serves. These efforts are spelled out in the Pima County Sheriff's Department A.C.T. plan.

The Pima County Sheriff's Department recognizes the time to A.C.T. is now and has released our comprehensive plan for law enforcement reform under three pillars. They are Accountability, Community Engagement and Transparency. The efforts under these three pillars will be a living and evolving approach to address reform and ensure responsiveness to the community we proudly serve.
