Dear Area Leader:

In the past, we have received requests from established neighborhood watch associations for new ideas or speakers for their annual neighborhood watch meetings. We are creating a list of possible resources that you may be interested in. You may contact them directly for further information.

If you are aware of or have used a good resource, please share it with us so that we can add it to our list. This list will be periodically updated as more information becomes available.

Please see the attached list.

Sincerely,

Neighborhood Watch
